

# The 8th East Asia Accelerator Mass Spectrometry Symposium

Sakata Hirata Hall, Nagoya University, Japan  
December 3-6, 2019

# EA-AMS 8

$^{10}\text{Be}$

$^{14}\text{C}$

$^{26}\text{Al}$

$^{36}\text{Cl}$

$^{129}\text{I}$

etc.

## Program

	Dec. 2 Mon	Dec. 3 Tue	Dec. 4 Wed	Dec. 5 Thu	Dec. 6 Fri
8:20					
9:00		Registration	New facility and status report I	Mid-Conference One-day Trip	General AMS application / Carbon-14 age calibration and archaeological application
10:00		Pre-session	Coffee and tea		Coffee and tea
11:00			New facility and status report II		Space and earth environmental science III
12:00		Lunch	Lunch		Business meeting / Closing
13:00		Opening / Welcome talk			
14:00		Space and earth environmental science I	New facility and status report III		
15:00		Coffee and tea	Coffee and tea		
16:00		Space and earth environmental science II	AMS development / Technical development / Heavy nuclides		
17:00	Registration / Ice Breaker	Poster session	Poster session		
18:00					
19:00				Gala Dinner (THE KAWABUN NAGOYA)	
20:00
